

By virtue of this correspondence, APEX Supply Company located at 200 Houston St, Sulphur Springs TX 75482, grants Hopkins County access to connect to the existing rain downspouts located on the east side of the existing building for the purpose of redirecting the conveyance of rain water on the Hopkins County Jail located on 298 Rosemont St, Sulphur Springs TX 75482.

The existing conditions of the property and the downspouts deposit rainwater onto the county's property and the county will, at their cost, connect to the downspouts and extend them as needed. This will not require any remuneration on the part of APEX and the only requirement is approval to perform the aforementioned via this correspondence.
