Subject: Agenda Item

Judge, please review and consider for next week's agenda the following item. This is a project to serve a new residential customer (Craig Roberts). Commissioner Odell had no objection when I talked to him last week.

"The court to consider approving a request from Oncor Electric Delivery to Construct Electrical Power Distribution Facilities across and 200' along County Road 2300 approximately 2,750' East of County Road 2301 in Precinct 2."

Please call me on my cell 903-952-7975 if any questions.

Thanks,

Larry Willis
