Donna, I have already discussed this project with Commissioner Joe Price. Please add this to the next agenda.

The Court to consider and approve a request from Oncor Electric Delivery to construct Electrical Power Distribution Facilities. Oncor will be installing 1500 feet of single phase electric lines along the east sided of Hopkins Co Rd 4131. Starting approximately 1200 feet south IH30 Service Rd. and running south to serve 5 residential lots in Precinct 4 of Hopkins County.

Thanks so much, call me on cell at 903-952-7975 if any questions
