**SECTION 6. CESSATION OF ADVANCES.**

If County has made any commitment to make any advance of financial assistance to Developer, whether under this Agreement or under any other agreement, the County shall have no obligation to advance or disburse any financial assistance if: (i) Developer becomes insolvent, files a petition in bankruptcy or similar proceedings, or is adjudged bankrupt; or (ii) an Event of Default occurs.

## SECTION 7.

## EVENTS OF DEFAULT.

Each of the following shall constitute an Event of Default under this Agreement:

- (a) **General Event of Default.** Failure of Developer or the County to comply with or to perform any other term, obligation, covenant, or condition contained in this Agreement, or failure of Developer or County to comply with or to perform any other term, obligation, covenant, or condition contained in any other agreement by and between Developer and County is an Event of Default.
- (b) **False Statements.** Any warranty, representation, or statement made or furnished to the County by or on behalf of Developer under this Agreement that is false or misleading in any material respect, either now or at the time made or furnished is an Event of Default.
- (c) **Insolvency.** Developer's insolvency, appointment of receiver for any part of Developer's property, any assignment for the benefit of creditors of Developer, any type of creditor workout for Developer, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Developer is an Event of Default.
- (d) **Ad Valorem Taxes.** Developer allows its ad valorem taxes owed to the County to become delinquent and fails to timely and properly follow the legal procedures for protest and/or contest of such taxes and to cure such failure within thirty (30) days after written notice thereof from County and/or Hopkins County Central Appraisal District is an Event of Default.

## SECTION 8.

## EFFECT OF AN EVENT OF DEFAULT.

Failure of either party to comply with or perform any term, obligation or condition of this Agreement shall constitute an Event of Default. The non-defaulting party shall give written notice to the other party of any default, and the defaulting party shall have thirty (30) days to begin to cure said default. Should said default remain uncured, the non-defaulting party shall have the right to terminate this Agreement, enforce specific performance as appropriate, or maintain a cause of action for damages caused by the event(s) of default. In the event Developer defaults and is unable or unwilling to cure said default within the prescribed time period, the aggregate total of all financial assistance provided by the County to Developer pursuant to Section 5 of this Agreement, shall become immediately due and payable by Developer to the County.

## SECTION 9.

## INDEMNIFICATION.

Developer shall indemnify, save, and hold harmless County, its directors, officers, agents, attorneys, and employees (collectively, the "indemnitees") from and against: (i) any and all claims, demands, actions, or causes of action that are asserted against any Indemnitee if the claim, demand, action, or cause of action directly or indirectly relates to tortious interference with contract or business interference, or wrongful or negligent use of County's financial assistance by Developer or its agents and employees; (ii) any administrative or investigative proceeding by any governmental authority directly or indirectly related, to a claim, demand, action or cause of action in which County is a disinterested party; (iii) any claim, demand, action or cause of action which directly or indirectly contests or challenges the legal authority of County or Developer to enter into this Agreement and related issues; and (iv) any and all liabilities, losses, costs, or

expenses (including reasonable attorneys' fees and disbursements) that any Indemnitee suffers or incurs as a result of any of the foregoing; provided, however, that Developer shall have no obligation under this Section to County with respect to any of the foregoing arising out of the gross negligence or willful misconduct of County or the breach by County of this Agreement. If any claim, demand, action, or cause of action is asserted against any Indemnitee, such Indemnitee shall promptly notify Developer, but the failure to so promptly notify Developer shall not effect Developer's obligations under this Section unless such failure materially prejudices Developer's right to participate in the contest of such claim, demand, action, or cause of action, as hereinafter provided. If requested by Developer in writing, as so long as no Default or Event of Default shall have occurred and be continuing, such Indemnitee shall in good faith contest the validity, applicability and amount of such claim, demand, action, or cause of action and shall permit Developer to participate in such contest. Any Indemnitee that proposes to settle or compromise any claim, demand, action, cause of action or proceeding for which Developer may be liable for payment of indemnity hereunder shall give Developer written notice of the terms of such proposed settlement or compromise reasonably in advance of settling or compromising such claim or proceeding and shall obtain Developer's concurrence thereto.

- (a) **Amendments.** This Agreement constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement.
