INDEPENDENT AUDITORS' REPORT ON
THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

The Honorable Judge and County Commissioners
Hopkins County
Sulphur Springs, Texas

Report on the Audit of the Schedule of Expenditures of Federal Awards

Opinion on Each Major Federal Program

We have audited the schedule of expenditures of federal awards of Hopkins County, Texas (the "County") for the year ended September 30, 2022, and the related notes (the schedule).

In our opinion, the accompanying schedule of expenditures of federal awards presents fairly, in all material respects, the expenditures of federal awards of the County for the year ended September 30, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Schedule section of our report.

We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Schedule

Management is responsible for the preparation and fair presentation of the schedule in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the schedule that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibilities for the Audit of the Schedule

Our objectives are to obtain reasonable assurance about whether the schedule as a whole is free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the schedule.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the schedule, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the schedule.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the schedule.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

The Honorable Judge and County Commissioners
Hopkins County
Sulphur Springs, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Hopkins County, Texas (the "County"), as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated February 27, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

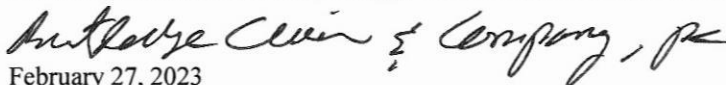

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE *UNIFORM GUIDANCE*

The Honorable Judge and County Commissioners
Hopkins County
Sulphur Springs, Texas

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Hopkins County, Texas' (the "County") compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs for the year ended September 30, 2022. The County's major federal program was American Relief Plan Act (ARPA), CFDA 21.027. In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended September 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the County's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the County's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the County's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the County's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the County's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the County's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

HOPKINS COUNTY, TEXAS
Notes to Expenditures of Federal Awards
September 30, 2022

A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

The accompanying Schedule of Expenditures of Federal Awards presents the activity of all federal award programs of Hopkins County, Texas (the "County"). The County's reporting entity is defined in Note 1 to the County's Financial Statements. All federal awards received directly by the primary government from federal agencies, as well as federal awards passed through other government agencies, are included in the scope of the *Uniform Guidance* and are included on the Expenditures of Federal Awards.

Basis of Accounting

The accompanying Schedule of Expenditures of Federal Awards are presented using the modified accrual basis of accounting for governmental funds.

B - CONTINGENCIES

The County participates in several federal grant programs, which are governed by various rules and regulations of the grantor agencies. Costs charged to the respective grant programs are subject to audit and adjustment by the grantor agencies; therefore, to the extent that the County has not complied with the rules and regulations governing the grants, refunds of any money received may be required and the collectability of any related receivable at September 30, 2022 may be impaired. In the opinion of management, there are no significant contingent liabilities relating to compliance with the rules and regulations governing the respective grants.

INDEPENDENT AUDITORS' REPORT

Honorable County Judge and County Commissioners
Comprising the Commissioners' Court of Hopkins County
Sulphur Springs, Texas

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Hopkins County, Texas (the County) as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the County's financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the County, as of September 30, 2022, and the respective changes in financial position, for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion analysis, budgetary comparison information, and pension schedules on pages 5-11, pages 48-53, and pages 54-55, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The accompanying combining and individual nonmajor fund financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 27, 2023, on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance.

Management's Discussion and Analysis

This page is left blank intentionally.

HOPKINS COUNTY, TEXAS
MANAGEMENT'S DISCUSSION AND ANALYSIS
September 30, 2022

As management of Hopkins County, we offer readers of the County's financial statements this narrative overview and analysis of the financial activities of the County for the fiscal year ended September 30, 2022. We encourage readers to consider the information presented herein with the County's financial statements, which follow this section.

Financial Highlights

The assets and deferred outflows of resources of the County exceeded its liabilities and deferred inflows of resources at the close of the fiscal year ended September 30, 2022 by \$28,682,589 (net position). Of this amount, \$13,578,107 (unrestricted net position) may be used to meet the government's ongoing obligations to citizens and creditors.

The total net position of the County increased by \$5,694,077. This increase is attributable to conservative spending across many departments, resulting in lower than budgeted operational costs. Hopkins County applied and obtained the ARP Grant which was to provide assistance with operational cost associated to Covid 19. A large portion of this increase is from these funds that are sitting in the net position awaiting completion of projects.

The County's governmental funds reported combined ending fund balances of \$12,993,725 an increase of \$675,621 in comparison to the previous year, mainly due to conservative spending and heavier revenues.

The unassigned portion of the General Fund, fund balance at the end of the year was \$7,249,869 or 51% of total General Fund expenditures for fiscal year 2022.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the County's basic financial statements. The County's basic financial statements comprise four components: 1) government-wide financial statements, 2) fund financial statements, 3) fiduciary financial statements, and 4) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements. The government-wide financial statements are designed to provide readers with a broad overview of Hopkins County's finances. This is done in a manner similar to a private-sector business. Two statements, the Statement of Net Position and the Statement of Activities, are utilized to provide this financial overview.

The Statement of Net Position presents information on all of the County's assets and liabilities with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the County is improving or deteriorating.

The Statement of Activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

HOPKINS COUNTY, TEXAS
MANAGEMENT'S DISCUSSION AND ANALYSIS
September 30, 2022

In addition, the statement of activities highlights government activities supported by taxes and intergovernmental revenues, along with program revenues classified to the corresponding government activity.

Fund financial statements. The County, like other state and local governments, utilizes fund accounting to ensure and demonstrate compliance with finance-related legal requirements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. All of the funds of the County can be divided into two categories: governmental funds and fiduciary funds.

Governmental funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

Fiduciary funds. Fiduciary funds account for assets held by the County in a trustee capacity or as a custodian on behalf of others.

Notes to Financial Statements. The notes provide additional information that is essential to gain a full understanding of the data provided in the government-wide, fund financial statements and fiduciary fund statements.

Other Information. In addition to the basic financial statements and accompanying notes, this report also presents other supplementary information following the notes to the financial statements. The other supplementary information includes combining and individual statements and schedules.

Government-wide Financial Analysis

At the end of fiscal year 2022, the County's net position (assets and deferred outflow of resources exceeding liabilities and deferred inflows of resources) totaled \$28,682,589. This analysis focuses on the net position (Table 1) and the changes in net position (Table 2).

Net Position. A large portion of the County's net position, \$13,578,107 reflects unrestricted funds. The County uses these assets to provide services to its citizens; consequently, these assets are not available for future spending. Although the County reports its capital assets net of related debt, the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

HOPKINS COUNTY, TEXAS
MANAGEMENT'S DISCUSSION AND ANALYSIS
September 30, 2022

Net assets of \$675,736 in the debt service fund, are restricted for future debt service payments.

Net assets of \$238,796 in the Capital Projects Fund, are restricted to payments for capital projects.

The remaining balance of unrestricted net assets, \$13,578,107, may be used to meet the government's ongoing obligations to citizens and creditors.

Financial Analysis of the Government's Funds

Government funds. The focus of the County's governmental funds is to provide information on near-term inflows, outflows and balances of spendable resources. Such information is useful in assessing the County's financing requirements. In particular, unreserved fund balances may serve as a useful measure of the government's net resources available for spending at the end of the fiscal year.

As of the end of the current fiscal year, the County's governmental funds reported combined fund balances of \$12,993,725.

HOPKINS COUNTY, TEXAS
MANAGEMENT'S DISCUSSION AND ANALYSIS
September 30, 2022

GENERAL FUND

The General Fund is the main operating fund of Hopkins County. At the end of the current fiscal year, the County's unassigned fund balance was \$7,249,869. This is an increase of \$426,586 from the prior year which is mainly due to insurance proceeds and the county's ability to obtain grants. The county has adopted a policy of maintaining a minimum fund balance to be used for unanticipated needs. A Fund Balance Policy adopted by the Commissioner's Court in 2019 states that the minimum level shall be approximately 30 to 35 percent of the subsequent year's budgeted expenditures and outgoing transfers. This minimum fund balance is intended to provide stabilization in case of unforeseen events that may occur. If it is determined that the County is below this minimum established fund balance level, the governing body will be informed of this condition and take necessary budgetary steps to bring the fund balance level into compliance with this policy through budgetary actions.

Road and Bridge Fund. The Road and Bridge fund balance totaled \$ 1,627,553 a decrease of \$268,629.

General Fund Budgetary Highlights. Each year the County performs periodic reviews of the budget. Budget amendments are approved throughout the year transferring amounts from one line item to another budgeted item. Unbudgeted revenues were recognized with the final budget amendments.

- Taxes were above budget \$1,009,573. The main reason for this was sales tax being more than what was projected.
- 8th District Court under budget \$26,633 due to conservative spending
- 62nd District Court was under budget by \$17,576 due to stricter spending
- District Clerk was under budget \$20,944 due to personnel changes
- Tax Collector was under budget \$20,740 due to personnel changes and stricter spending.
- Overall, expenditures were over the final budget by only \$89,762 due to the conservative spending habits of all County Offices, despite unforeseen increases in inflation.

Total Debt	<u>\$ 15,919,422</u>	<u>\$ 16,373,564</u>

Additional information on the County's long-term debt can be found in the notes to the financial statements.

The County's outstanding bonds decreased by \$1,229,320 due to paying off or retiring debt.

HOPKINS COUNTY, TEXAS
MANAGEMENT'S DISCUSSION AND ANALYSIS
September 30, 2022

Economic Factors and Next Year's Budgets and Rates

The Hopkins County economy remains stable with an optimistic atmosphere. Hopkin's County's unemployment rate as of September 2022 was 3.3% which is a decrease, and below the state of 3.5%.

The tax rate established for the 2022 budget is \$.584035. This is a reduction of from the FY2021 tax rate of \$.624892.

The reduction in the tax rate is due to Senate Bill 2 tax reform legislation, as well as an increase in the county's net taxable base value FY2022.

Total revenues from property taxes, increased over prior year. This increase was due to adopting a tax rate greater than the no new revenue rate.

Sales tax revenues increased while fees, fines and intergovernmental revenue remained mostly unchanged. Overall, these changes lead total revenues this year to be higher than the prior year.

At the time the 2022 budget was prepared, the local economy was showing optimistic signs of growth. We currently have several businesses that are coming to the area that will provide many jobs as well as tax revenue to our County.

Hopkins County has several Solar Farms that are coming to the area, which should provide additional tax revenue for the County.

Some key factors to look for in future budgets:

The County's general fund balance has continued to increase over the years due to tight controls on expenses and careful revenue estimations. Revenue estimations are based on previous year actual numbers instead of projecting for possible increases. This has allowed our fund balance to experience a steady growth over the past several years.

Contacting the County's Financial Management

This financial report is designed to provide a general overview of Hopkins County's finances for all those with an interest in the government's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be directed to Shannah Aulsbrook, County Auditor, located at the Hopkins County Courthouse, located at 118 Church Street, Sulphur Springs, Texas 75482

HOPKINS COUNTY, TEXAS

*RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES,
AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED SEPTEMBER 30, 2022*

Net change in fund balances - total governmental funds	\$ 769,404
Amounts reported for governmental activities in the Statement of Activities ("SOA") are different because:	
Capital outlays are not reported as expenses in the SOA.	8,058,366
The depreciation of capital assets used in governmental activities is not reported in the funds.	(2,882,755)
The gain or loss on the sale of capital assets is not reported in the funds.	(258,421)
Certain property tax revenues are deferred in the funds. This is the change in these amounts this year.	59,699
Repayment of bond principal is an expenditure in the funds but is not an expense in the SOA.	1,220,000
Repayment of right-to-use lease principal is an expenditure in the funds but is not an expense in the SOA.	354,594
Repayment of loan principal is an expenditure in the funds but is not an expense in the SOA.	54,617
Bond issuance costs and similar items are amortized in the SOA but not in the funds.	(1,124)
(Increase) decrease in accrued interest from beginning of period to end of period.	(256,705)
Compensated absences are reported as the amount earned in the SOA but as the amount paid in the funds.	(79,645)
Certain fine revenues are deferred in the funds. This is the change in these amounts this year.	(1,408,763)
Certain assessment revenues are deferred in the funds. This is the change in these amounts this year.	(7,275)
Proceeds of leases do not provide revenue in the SOA, but are reported as current resources in the funds.	(1,103,744)
Pension expense relating to GASB 68 is recorded in the SOA but not in the funds.	<u>1,314,322</u>
Change in net position of governmental activities - Statement of Activities	<u>\$ 5,832,570</u>

HOPKINS COUNTY, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED SEPTEMBER 30, 2022

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Reporting Entity

The County, a political subdivision of the State of Texas is governed by an elected judge and four county commissioners which comprise the commissioners' court. The county's operational activities include general government, judicial, legal, financial administration, public safety, public transportation, public facilities, extension services, elections, and health and welfare assistance.

The accounting policies of Hopkins County, Texas, conform to generally accepted accounting principals issued by the Governmental Accounting Standards Board which is the recognized financial accounting standard setting body for governmental entities. The notes to the financial statements are an integral part of the County's basic financial statements.

The accompanying basic financial statements comply with the provisions of the GASB Statement No. 14, "The Financial Reporting Entity," in that the financial statements include all organizations, activities, functions and component units for which the County (the "primary government") is financially accountable. Financial accountability is defined as the appointment of a voting majority of a legally separate organization's governing body and either (1) the County's ability to impose its will over the organization, or (2) the potential that the organization will provide a financial benefit to or impose a financial burden on the County.

There are no component units which satisfy requirements for blending or discrete presentation within the County's financial statements. Accordingly, the basic financial statements present the County only.

B. Government-wide and Fund Financial Statements

The government-wide financial statements (i.e. the statement of net assets and the statement of changes in net position) report information on all of the nonfiduciary activities of the government. For the most part, the effect of interfund activity has been removed from these statements. *Governmental activities*, are normally are supported by taxes, charges for services, and intergovernmental revenues.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as *general revenues*.

Separate financial statements are provided for governmental funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements.

C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide financial statements are reported using the economic *resources measurement focus* and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Amounts reported as *program revenues* include 1) charges to customers or applicants for goods, services, or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions, including special assessments. Internally dedicated resources are reported as *general revenues* rather than as program revenues. Likewise, general revenues include all taxes, miscellaneous revenue, and interest income.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the County considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as

HOPKINS COUNTY, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED SEPTEMBER 30, 2022

well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Property taxes and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. Fines and permits, and miscellaneous revenues are not susceptible to accrual because generally they are not measurable until received in cash.

The County reports the following major governmental funds:

The *General Fund* is the County's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The *Road and Bridge Maintenance Fund* accounts for the activities of the Road and Bridge department. The funding for the fund consists principally of ad valorem taxes levied for highway maintenance, and certain fees and fines designated for road construction and maintenance.

The *American Rescue Plan* accounts for the activities of the grant which was obtained from the federal government to assist with recovery from the Covid 19 pandemic.

Additionally, the County reports the following fund types:

The Special Revenue Funds account for specific revenue sources that are legally restricted to expenditures for specified purposes (not including private purpose trusts or major capital projects).

The Debt Service Fund accounts for the accumulation of resources to be used for the payment of principal and interest.

The Capital Projects Funds account for construction or acquisition of major capital facilities primarily from the proceeds of debt issues.

Custodial Funds are used to account for assets held by the government as an agent for individuals, private organizations, other governments, and/or other custodial funds.

As a general rule the effect of interfund activity has been eliminated from the government-wide financial statements.

D. Budgetary Information

1. Annual budgets are adopted on the GAAP basis of accounting for the general fund, certain special revenue funds, and the debt service fund. The capital projects fund is appropriated on a project-length basis. Other special revenue funds do not have appropriated budgets since other means control the use of these resources (e.g., grant awards) and sometimes span a period of more than one fiscal year. All annual appropriations lapse at fiscal year end. Budgets were adopted for all special revenue funds except the following:

- Local Truancy Prevention and Diversion
- Pct #1 House
- Road and Bridge County Project
- Texas Mitigation Grant
- FEMA Disaster 4223
- Homeland Security Grant
- FEMA Winter 4255
- Crime Victim Coordinator
- LEPC Grant
- FEMA Disaster 4416
- Safer Grant
- Fire Department
- Cares Act Covid 19
- Jury Fund
- Specialty Court
- Court Facility
- County Attorney Special Restitution

HOPKINS COUNTY, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED SEPTEMBER 30, 2022

The County Judge is, by statute, the Budget Officer of the County and has the responsibility of preparing the County's budget. Under the County's budgeting procedures, each department submits a budget request to the County Judge. The County Judge reviews budget requests and holds informal hearings when needed. Before October 1, a proposed budget is presented to the Commissioners' Court. A public hearing is then held and the Commissioners' Court takes action on the proposed budget. Before determining the final budget, the Commissioners' Court may increase or decrease the amounts requested by the various departments. Amounts finally budgeted may not exceed the estimate of revenues and available fund balance.

Once the budget has been adopted by the Commissioners' Court, the County Auditor is responsible for monitoring the expenditures of the various departments of the County to prevent expenditures from exceeding budgeted appropriations and for keeping members of the Commissioners' Court advised of the conditions of the various funds and accounts.

The appropriated budget is prepared by fund. Any transfers of appropriations are first approved by the Commissioners' Court. Thus, the legal level of budgetary control is at the fund level. Several supplemental appropriations were required during the year.

2. Excess of Expenditures Over Appropriations

For the year ended September 30, 2022, expenditures exceeded appropriations in the following funds:

General Fund	\$89,762
Special Revenue Funds:	
Road and Bridge Maintenance	82,039
District Attorney	62,132
Law Library	203
Courthouse Security Fund	9,518
DA Forfeiture	114,540
Debt Service	122

These excess expenditures were funded by available fund balance and anticipated revenues.

3. Deficit Fund Balances

The following funds had deficit fund balances at 9/30/21

Special Revenue Funds	
Road and Bridge County Project	\$29
Texas Mitigation Fund	100,579
LEPC Grant	280
Capital Projects Funds:	
Jail 2013/2014 Bond Issue #2	1,477

E. Assets, liabilities, and net position or equity

1. Deposits and investments

The County's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

State statutes authorize the County to invest in (1) obligations of the United States or its agencies and instrumentalities; (2) direct obligations of the State of Texas or its agencies; (3) other obligations, the principal of and interest on which are unconditionally guaranteed or insured by the State of Texas or the United States; (4) obligations of states, agencies, counties, cities, and other political subdivisions of any state having been rated as to investment quality by a nationally recognized investment rating firm and having received a rating of not less than A or its equivalent; (5) certificates of deposit by state and national banks domiciled in this state that are (A) guaranteed or insured by the Federal Deposit Insurance

HOPKINS COUNTY, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED SEPTEMBER 30, 2022

Corporation, or its successor; or, (B) secured by obligations that are described by (1) - (4); or, (6) fully collateralized direct repurchase agreements having a defined termination date, secured by obligations described by (1), pledged with third party selected or approved by the County, and placed through a primary government securities dealer.

Investments maturing within one year of date of purchase are stated at cost or amortized cost, all other investments are stated at fair value which is based on quoted market prices.

2. Receivables and payables

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans) or "advances to/from other funds" (i.e., the non-current portion of interfund loans). All other outstanding balances between funds are reported as "due to/from other funds." Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as "internal balances."

Advances between funds, as reported in the fund financial statements, are offset by a fund balance reserve account in applicable governmental funds to indicate that they are not available for appropriation and are not expendable available financial resources.

All trade receivables are shown net of an allowance for uncollectibles. Trade accounts receivable in excess of 60 days comprise the trade accounts receivable allowance for uncollectibles.

Property taxes are levied on October 1 by the County based on the January 1 property values as appraised by the Hopkins County Central Appraisal District. Taxes are due without penalty until January 31, of the next calendar year. After January 31 the County has an enforceable lien with respect to both real and personal property. Under state law, property taxes levied on real property constitute a perpetual lien on the real property which cannot be forgiven without specific approval of the State Legislature. Taxes applicable to personal property can be deemed uncollectible by the County.

3. Capital assets

Capital assets, which include property, plant, equipment, and infrastructure assets (e.g., roads, bridges, and similar items), are reported in the governmental activities column in the government-wide financial statements. Capital assets are defined by the County as assets with an initial, individual cost of more than \$5,000 (amount not rounded) and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed.

Property, plant, and equipment of the primary government is depreciated using the straight line method over the following estimated useful lives:

Buildings and improvements	20 - 30 years
Infrastructure	20 - 45 years
Machinery and Equipment	5 - 10 years
Leased vehicles and equipment	5 - 10 years

HOPKINS COUNTY, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED SEPTEMBER 30, 2022

4. Compensated absences

Employees accumulate earned but unused vacation and compensatory time. All vacation and compensatory pay is accrued when incurred in the government-wide funds. A liability is reported for these amounts in governmental funds only if they have matured, for example, as a result of employee resignations and retirements.

5. Long-term obligations

In the government-wide financial statements long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities statement of net assets. Bond premiums and discounts, as well as bond insurance costs, are deferred and amortized over the life of the bonds using the straight line method which approximate the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. Bond insurance costs are reported as deferred outflow of resources and amortized over the term of the related debt.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond insurance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Other issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

6. Fund equity

In government-wide statements, net assets are classified into three categories as follows:

Invested in capital assets, net of related debt – This component of net position consists of capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, leases, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.

Restricted – This component of net position consists of net assets whose use is restricted by contributors, laws or regulations of other governments, or by laws through constitutional provisions or enabling legislation.

Unrestricted – This component of net position consists of those assets that do not meet the definition of "restricted" or "invested in capital assets, net of related debt."

Governmental funds classify fund balances as follows:

Non spendable Fund Balances – Amounts that cannot be spent because they are either not in a spendable form or are legally or contractually required to be maintained intact.

Restricted Fund Balance – Amounts that can be spent only for specific purposes because of constraints imposed by external providers, or imposed by constitutional provisions or enabling legislation.

Committed Fund Balance – Amounts can only be used for the specific purposes determined by a formal action of the County's highest level of decision-making authority. The Commissioners Court is the highest level of decision-taking authority for the County that can, by adoption of a court order prior to the end of the fiscal year, commit fund balance. Once adopted, the limitation imposed by the court order remains in place until a similar action is taken (the adoption of another court order) to remove or revise the limitation.

Assigned Fund Balance – Amounts in the assigned fund balance classification are intended to be used by the County for specific purposes but do not meet the criteria to be classified as committed. The Commissioners Court has by court order authorized the county auditor to assign fund balance. The Commissioners Court may also assign fund balance as it does when appropriating fund balance to cover a gap between estimated revenue and appropriations in the subsequent year's appropriated budget. Unlike commitments, assignments generally only exist temporarily. In other words, an additional action does not normally have to be taken for the removal of an assignment. Conversely, as discussed above, an additional action is essential to either remove or revise a commitment.

HOPKINS COUNTY, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED SEPTEMBER 30, 2022

Unassigned Fund Balance – Amounts that are available for any purpose; these amounts can be reported only in the County's General Fund or as deficits in other governmental funds.

Fund balance amounts represent the nature of the net resources that are reported in a governmental fund. The County fund balance classifications include non-spendable resources, restricted, and non-restricted (committed, assigned and unassigned) amounts. When the County incurs an expenditure and both restricted and unrestricted amounts are available, the County considers restricted amounts to have been spent. When the County incurs an expenditure for an unrestricted amount, committed amounts are reduced first, followed by assigned amounts and then unassigned amounts for purposes in which any of those unrestricted fund balance classifications could be used.

II. RECONCILIATION OF GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

Explanation of certain differences between the governmental fund balance sheet and the government-wide statement of net assets:

The governmental fund balance sheet includes a reconciliation between *fund balance-total governmental funds* and *net assets – governmental activities* as reported in the government-wide statement of net position. One element of that reconciliation explains that "Court fines receivable unavailable to pay for current period expenditures are deferred in the funds, however, the net change in the deferred fines revenue is recognized as revenue in the Statement of Activities." The details of this \$3,715,425 difference are as follows:

County clerk fines	\$ 297,789
District clerk fines	2,999,810
Justice of the peace fines	417,826
Total	<u>\$3,715,425</u>

HOPKINS COUNTY, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED SEPTEMBER 30, 2022

III. DETAILED NOTES ON ALL FUNDS

A. Deposits and investments

Cash

At year end, the carrying amount of the County's cash on hand and deposits was \$19,440,842 (including \$1,775,581 in custodial funds). All of the bank balance of \$20,545,378 was covered by federal deposit insurance and collateralized by the pledging financial institution with marketable securities held by an agent in the bank's name.

Investments

As of September 30, 2022, the County had the following investments:

Investment type	Credit Rating	Fair Value	Days to Maturity
Government sponsored investment pool (TexPool)	AAAm	\$711	<25
Government sponsored investment pool (TXClass)	AAAm	718	<60
Total Fair Value		\$1,429	
* Standard and Poors			

Interest Rate Risk. In accordance with its investment policy, the County manages its exposure to declines in fair value by limiting the weighted average maturity of its portfolio to less than three years.

Credit Risk. State law limits investments as described previously in Note I. E. 1.

Concentration of Credit Risk

The County's investment policy does not allow for an investment in any one issuer (other than investment pools) that is in excess of five percent of the fair value of the County's total investments.

Custodial Credit Risk – Deposits. In the case of deposits, this is the risk that in the event of a bank failure, the County's deposits may not be returned to it. The County requires all deposits to be covered by Federal Depository Insurance Corporation (FDIC) insurance and/or collateralized by qualified securities pledged by the County's depository in the County's name and held by the depository's agent.

Custodial Credit Risk – Investments. For an investment, this is the risk that, in the event of the failure of the counterparty, the County will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party.

TexPool and MBIA are external investment pools and are not SEC registered. The Texas Interlocal Cooperation Act and the Texas Public Funds Investment Act provide for creation of public funds investments pools and permit eligible governmental entities to jointly invest their funds in authorized investments. The fair value of investments in the pool is independently reviewed monthly. At September 30, 2022 the fair value of the position in TexPool and Texas Class approximates the fair value of the shares.

HOPKINS COUNTY, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED SEPTEMBER 30, 2022

B. Receivables

Receivables as of year-end for the government's individual major funds and nonmajor funds in the aggregate, including the applicable allowances for uncollectible accounts, are as follows:

	General	Road & Bridge	NonMajor and Other	Total
Fines receivable	\$12,244,040	\$ --	\$476,740	\$12,720,780
Allowance	(4,806,817)	--	(272,013)	(5,078,830)
Net fines receivable	<u>\$7,437,223</u>	<u>\$ --</u>	<u>\$204,727</u>	<u>\$7,641,950</u>
Taxes receivable	\$424,601	\$174,127	\$121,165	\$719,893
Allowance	(84,920)	(34,825)	(24,234)	(143,979)
Net taxes receivable	<u>\$339,681</u>	<u>\$139,302</u>	<u>\$96,931</u>	<u>\$575,914</u>
Other receivables	<u>\$13,631</u>	<u>\$54,814</u>	<u>\$47,103</u>	<u>\$115,548</u>

Governmental funds report *deferred revenue* in connection with receivables for revenues that are not considered to be available to liquidate liabilities of the current period. Governmental funds also defer revenue recognition in connection with resources that have been received, but not yet earned. At the end of the current fiscal year, the various components of *deferred revenue* and *unearned revenue* reported in the governmental funds were as follows:

	Unavailable	Unearned	Total
Deferred tax revenue (General Fund)	\$303,579	\$ --	\$303,579
Deferred fines revenue (General Fund)	3,510,697	--	3,510,697
Deferred tax revenue (Road and Bridge Maintenance)	124,610	--	124,610
Deferred tax revenue (NonMajor Funds)	86,305	--	86,305
Deferred fines revenue (NonMajor Funds)	204,727	--	204,727
Deferred grant revenue - (American Rescue Plan)	--	4,874,924	4,874,924
Deferred grant revenue - (NonMajor Funds)	108,945	--	108,945
Total deferred/unearned revenue for governmental funds	<u>\$4,338,863</u>	<u>\$4,874,924</u>	<u>\$9,213,787</u>

Governmental activities:

General government	\$58,353
Judicial	1,296
Legal	648
Financial administration	823
Public safety	918,903
Public transportation	1,380,592
Public facilities	516,501
Extension services	5,639
Total depreciation expense - governmental activities	<u>\$2,882,755</u>

HOPKINS COUNTY, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED SEPTEMBER 30, 2022

E. Interfund receivables, payables, and transfers

The composition of interfund balances as of September 30, 2022, is as follows:

Governmental Funds		
Fund	Receivable	Payable
Major Fund		
General Fund	\$104,545	\$ --
Nonmajor Funds		
Road and Bridge County Project	--	1,239
Texas Mitigation Grant	--	91,277
LEPC Grant	--	280
FEMA 4416	--	10,419
Safer Grant Fire Department	--	1,330
Total Governmental Funds	<u>\$104,545</u>	<u>\$104,545</u>

Interfund receivable and payable amounts are due to temporary overdrafts in pooled cash.

Fund	Transfers in	Transfers out
Major Funds		
General Fund	\$ --	\$2,525,708
Road and Bridge Maintenance	4,430,000	--
American Rescue Plan		2,000,000
Nonmajor Funds		
Civic Center	160,000	25,572
District Attorney	356,849	--
Courthouse Security	50,000	--
Road and Bridge Special Fund	--	315,000
Farm to Market Special Fund	--	315,000
Safer Grant Fire Department	108,859	--
Civic Center Horse Pavilion	25,572	--
Special Projects Fund	50,000	--
Total Governmental Funds	<u>\$5,181,280</u>	<u>\$5,181,280</u>

These transfers were made for the following reasons:

Transfers are budgeted to the Road and Bridge Maintenance Fund from the General Fund and American Rescue Plan for maintenance and operation of the roads.

Transfers from the General Fund to Civic Center Fund are for operations of the Civic Center and the payoff of the roof.

Transfers from the General Fund to the District Attorney Fund are Hopkins County's share for the operations of the office.

HOPKINS COUNTY, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED SEPTEMBER 30, 2022

Transfers from General Fund to the Special Projects Fund are to cover operating costs of the fund.

Transfers from the General Fund to the Courthouse Security are for maintenance and operations.

Transfers from the General Fund to the Civic Center Horse Pavillion are to maintenance and operations.

Transfers from the Road and Bridge Special Fund and the Farm to Market Special Fund into the Road and Bridge Fund are for maintenance and operations of roads.

Transfers from the Farm to Market Special Fund into the Road and Bridge Fund are for maintenance and operation of roads.

Transfers to the Road and Bridge County Project was to cover maintenance and operations.

F. Long-term debt

The County issues general obligation bonds, certificates of obligation bonds, notes payable and capital lease obligations to provide funds for the acquisition and construction of major capital facilities. These issues are direct obligations and pledge the full faith and credit of the County.

General Debt Currently Outstanding:

(1) Restated for refunding of debt in year ended 9/30/21. See footnote IV.F for description of wrestatement.

For the governmental activities, claims and judgements and compensated absences are generally liquidated by the general fund.

The County had no authorized but unissued debt at 9/30/22.

The County had no conduit debt at 9/30/22.

IV. OTHER INFORMATION

A. Risk management

The County is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; business interruption; errors and omissions; injuries to employees; employee health benefits; and other claims of various nature. The County participates in the Texas Association of Counties Intergovernmental Risk Pool (Pool) which provides protection for risks of loss. Premiums are paid to the Pool which retains the risk of loss beyond the County's policy deductibles. Any losses reported but unsettled or incurred and not reported, are believed to be insignificant to the County's basic financial statements. For the last three years, there have been no significant reductions of insurance coverage or insurance settlements in excess of insurance coverage.

B. Contingent Liabilities and Commitments

Amounts received or receivable from grantor agencies are subject to audit and adjustment by such agencies. Any disallowed claims, including amounts already collected may constitute a liability of the applicable funds. The amounts, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the County expects such amounts, if any, to be immaterial.

The County periodically is defendant in various lawsuits. As of September 30, 2022, after consultation with the County's attorney, the County is not aware of any pending or threatened litigation which would have a material effect on the financial statements.

The District Clerk has invested trust funds at various financial institutions in accordance with court orders. The County has a fiduciary responsibility over these funds until their final disposition.

C. Retirement Commitments

1. Plan Description

The County provides retirement, disability, and death benefits for all of its full-time employees through a nontraditional defined benefit plan in the state-wide Texas County and District Retirement System (TCDRS). The Board of Trustees of TCDRS is responsible for the administration of the statewide agent multi-employer public employee retirement system consisting of nontraditional defined benefit pension plans. TCDRS in the aggregate issues a comprehensive annual financial report (CAFR) on a calendar year basis. The CAFR is available upon written request from the TCDRS Board of Trustees.

The plan provisions are adopted by the County commissioners' court, within the options available in the state statutes governing TCDRS (TCDRS Act). Members can retire at ages 60 and above with 8 or more years of service or with 30 years regardless of age or when the sum of their age and years of service equals 75 or more. Members are vested after 8 years but must leave their accumulated contributions in the plan to receive any employer-financed benefit. Members who withdraw their personal contributions in a lump-sum are not entitled to any amounts contributed by their employer.

Benefit amounts are determined by the sum of the employee's contributions to the plan, with interest, and employer-financed monetary credits. The level of these monetary credits is adopted by the County commissioners' court within the constraints imposed by the TCDRS Act so that the resulting benefits can be expected to be adequately financed by the employer's commitment to contribute. At retirement, death, or disability, the benefit is calculated by converting the sum of the employee's accumulated contribution and the employer-financed monetary credits to a monthly annuity using annuity purchase rates prescribed by the TCDRS Act.

2. Benefits

TCDRS provides retirement, disability, and death benefits. Benefit provisions are adopted by the governing body of the County, within the options available in the state statutes governing TCDRS.

At the December 31, 2021 valuation and measurement date, the following employees were covered by the benefit terms:

HOPKINS COUNTY, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED SEPTEMBER 30, 2022

Inactive employees (or their beneficiaries) currently receiving benefits	139
Inactive employees entitled to but not yet receiving benefits	274
Active employees	<u>229</u>
	<u><u>642</u></u>

3. Contributions

The contribution rates for employees in TCDRS was 7% of employee gross earnings, and the County percentages was 14.14% for October 1, 2021 through December 31, 2021, and 14.77% for January 1, 2022 through September 30, 2022, both as adopted by the governing body of the County. Under the state law governing TCDRS, the contribution rate for each County is determined annually by the actuary, using the Entry Age Normal (EAN) actuarial N84 cost method. The actuarially determined rate is the estimated amount necessary to finance the cost of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability.

The County's contributions to TCDRS for the year ended September 30, 2022, were \$1,281,084 and were equal to the required contributions.

4. Net Pension Liability

The County's Net Pension Liability (NPL) was measured as of December 31, 2021, and the Total Pension Liability (TPL) used to calculate the Net Pension Liability was determined by an actuarial valuation as of that date.

Actuarial assumptions:

The Total Pension Liability in the December 31, 2021 actuarial valuation was determined using the following actuarial assumptions:

The annual salary increase rates assumed for individual members vary by length of service and by entry-age group. The annual rates consist of a general wage inflation component of 2.50% (made up of 2.25% inflation and 0.25% productivity increase assumptions) and a merit, promotion and longevity component that on average approximates 1.9% per year for a career employee.

Actuarial assumptions used in the December 31, 2021, valuation were based on the results of actuarial experience studies. These assumptions were first used in the December 31, 2018 valuation, along with a change to the Entry Age Normal (EAN) actuarial cost method. Assumptions are reviewed annually. No additional changes in benefits were made for the 2021 valuation.

The long-term expected rate of return on pension plan investments is 7.5%. The pension plan's policy in regard to the allocation of invested assets is established and may be amended by the TCDRS Board of Trustees. Plan assets are managed on a total return basis with an emphasis on both capital appreciation as well as the production of income, in order to satisfy the short-term and long-term funding needs of TCDRS.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

HOPKINS COUNTY, TEXAS

90 Day U.S. Treasury	<u>2.00%</u>	-1.05%
	<u><u>100.00%</u></u>	

Discount Rate

The discount rate used to measure the Total Pension Liability was 7.6%. The projection of cash flows used to determine the discount rate assumed that employee and employer contributions will be made at the rates specified in statute. Based on that assumption, the pension plan's Fiduciary Net Position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the Total Pension Liability.

HOPKINS COUNTY, TEXAS
NOTES TO THE FINANCIAL STATEMENTS

HOPKINS COUNTY, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED SEPTEMBER 30, 2022

Pension Plan Fiduciary Net Position

Detailed information about the pension plan's Fiduciary Net Position is available in a separately-issued TCDRS financial report. That report may be obtained on the Internet at www.tcdrs.org.

Pension Expense and Deferred Outflows and Inflows of Resources Related to Pensions

For the year ended September 30, 2022, the County recognized pension expense of \$1,281,084. At September 30, 2022, the County reported deferred outflows and inflows of resources related to pensions from the following sources:

	Original Amount	Date Established	Original Recognition Period	Amount Recognized in 12/31/21 Expense	Balance of Deferred Inflows 12/31/21	Balance of Deferred Outflows 12/31/21
Investment (gains) or losses	(\$6,375,760)	12/31/2021	5.0	(\$1,275,152)	\$5,100,608	\$ --
	(928,829)	12/31/2020	5.0	(185,766)	557,297	--
	(2,985,775)	12/31/2019	5.0	(597,155)	1,194,310	--
	3,628,653	12/31/2018	5.0	725,731	--	725,729
	(2,085,821)	12/31/2017	5.0	(417,165)	--	--
Economic/demographic (gains) or losses	\$156,560	12/31/2021	3.0	52,187	--	104,373
	(161,297)	12/31/2020	3.0	(53,766)	53,765	--
	(61,236)	12/31/2019	4.0	(15,309)	15,309	--
	(715,087)	12/31/2018	4.0	(178,771)	--	--
Assumptions changes or inputs	(88,375)	12/31/2021	3.0	(29,458)	58,917	--
	2,791,023	12/31/2020	3.0	930,341	--	930,341
	--	12/31/2019	4.0	--	--	--
	--	12/31/2018	4.0	--	--	--
Contributions made subsequent to measurement date	--			--	--	938,985
	<u>(\$6,825,944)</u>			<u>(\$1,044,283)</u>	<u>\$6,980,206</u>	<u>\$2,699,428</u>

\$938,985 reported as deferred outflows of resources related to pensions resulting from contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability for the year ending September 30, 2021. Other amounts reported as deferred outflows and inflows of resources related to pensions will be recognized in pension expense as follows:

Deferred Inflows/outflows to Be Recognized in Future Years

<u>Year ended September</u>	
2022	(\$448,348)
2023	(2,035,346)
2024	(1,460,917)
2025	(1,275,152)
2026	--
	<u>(\$5,219,763)</u>

HOPKINS COUNTY, TEXAS
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED SEPTEMBER 30, 2022

D. Concentrations of Credit Risk

Taxes receivable are due from citizens and businesses within the County's boundaries. Risk of loss is immaterial due to wide dispersion of receivables and because of policies which address procedures for filing property tax liens. Fines receivable are due from citizens primarily within the County's boundaries. Risk of loss is reduced by an allowance for uncollectibles and collection policies.

E. Tax Abatements

The County negotiates property tax abatement agreements on an individual basis. The County has tax abatement agreements with six manufacturing facilities under the authority of the Texas Property Redevelopment Act. The County established an abatement policy for the value of eligible improvements, and a requirement for creating or preventing the loss of jobs. The tax abatement amount is determined by the Hopkins County Central Appraisal District (HCCAD) under the terms of the abatement agreement. An abatement factor (given by HCCAD's Tax Abatement Registry) is used to determine the portion of assessed taxable value excluded to determine the taxable value subject to the County's tax rate. If a default of the abatement agreement occurs during the agreement period, the County may apply established procedures to recapture abated taxes. Generally, abatement recipients agree to make eligible improvements and meet proposed employment targets.

Property taxes assessed October 1, 2021 for fiscal year 2022 amounted to abatements of \$151,700.

F. Restatement of Prior Year

In the year ended September 30, 2021, the financial statements did not reflect the effects of the following transactions:

- (1) advance refunded a portion of the general obligation series 2013 and series 2014 bonds.
- (2) corrected the over accrual of a grant receivable.

Correction of these transactions resulted in the restatement of the financial statements as follows:

	9/30/2021	9/30/2021	Restatement	
Statement of Net Position	<u>As Reported</u>	<u>As Restated</u>	<u>Amount</u>	<u>Cause</u>
Cash	\$5,878,531	\$5,880,902	\$ 2,371	(1)

Notes to Schedule

Valuation date: 12/31/2021

Actuarially determined contribution rates are calculated as of December 31, two years prior to the end of the fiscal year in which contributions are reported.

Methods and assumptions used to determine contribution rates:

Actuarial cost method	Entry age
Amortization method	Level percentage of payroll, closed
Remaining amortization period	10.2 years
Asset valuation method	5-year smoothed market
Inflation	2.75%
Salary increases	Varies by age and service. 4.9% average over career including inflation.
Investment rate of return	8.00%, net of pension plan investment expense, including inflation
Retirement age	Members who are eligible for service retirement are assumed to commence receiving benefit payments based on age. The average age at service retirement for recent retirees is 61.
Mortality	130% of the RP-2014 Healthy Annuitant Mortality Table for males and 110% of the RP-2014 Healthy Annuitant Mortality Tables for females, both projected with 110% of the MP-2014 Ultimate scale after 2014.

HOPKINS COUNTY, TEXAS

NOTES TO REQUIRED SUPPLEMENTARY INFORMATION

Year Ended September 30, 2022

Information concerning the budget and budget calendar are detailed in footnote I.D. The budget comparisons are presented on the generally accepted accounting principles basis.

*Combining Statements and Budget Comparisons
as Supplementary Information*

This supplementary information includes financial statements and schedules not required by the Governmental Accounting Standards Board, nor a part of the basic financial statements, but are presented for purposes of additional analysis.
