To whom it may concern,

April 6, 2023

This letter is addressing the concerns of closing 2,200 feet of County Road 2413 located off of Farm to Market 269 South in the Pickton Community.

This will begin at the intersection of Farm to Market 269 South and County Road 2413 going to the North 2,200 feet and will end at the current privet driveway. This Road closure request is within the Hopkins County fire Department and Pickton/Pine Forest Fire Department response areas.

This area will become part of the property owner's private road listed as PR 2513.

Hopkins County Road 2413 South will continue on the South side of Farm to Market 269 South side of the intersection and maintain its normal corridor.

There are no hazards that would prevent emergency services from accessing any of the current area at this time. After conversations with Commissioner Anglin, we both agree that this request fulfills all the requirements to proceed with the closure.

If you have any questions please contact my office.

Sincerely,

A handwritten signature in black ink that reads "Andy Endsley". The signature is written in a cursive style with a long, sweeping underline.
