Donna,

Would you please put this on the agenda for the next commissioners court? Jury pay increases 9/1/23. For accounting purposes we think \$60 a day for the person in attendance will work better than \$58. They rounded up \$4 the last time from \$6 to \$10 to make it easier to pay out, this time it's only \$2.

Thank you!

Respectfully,

HB3474. There are multiple effective dates, but it looks like the effective date of the juror provision is Sept. 1, 2023.

Sort synopsis- Increases the pay for jury service from \$6 per day to \$20 per day for the first day or fraction of the first day served. Compensation to selected jurors is increased from \$40 to \$58 for each day or fraction of each day served. The state is required to reimburse a county \$14 a day for a person who reports for jury service for the first day or fraction of the first day and \$52 per day for each subsequent day or a fraction of each day served.
