

PROCLAMATION

HOPKINS COUNTY BEEF DAY

WHEREAS, The Hopkins County Commissioner's Court is proud to recognize the men and woman dedicated to beef production in Hopkins County; *and*

WHEREAS, Hopkins County currently has more than \$45.5 million dollars in revenue per year related to beef cattle; *and*

WHEREAS, Feed companies, farm equipment dealers, livestock auctions, banks, insurance agents, real estate agents, county government contractors and employees of all above; *and*

WHEREAS, NETBIO is a non-profit organization comprised of independent cow-calf producers and agribusiness representatives working together to enhance the beef industry and the local economy by improving cattle genetics, management practices, enhance production, and added value of their product and has marketed more than 400,000 preconditioned calves for a gross sales of more than \$300 million dollars; *and*

NOW THEREFORE BE IT RESOLVED, that the Hopkins County Commissioner's Court hereby designates October 7, 2023 as **Hopkins County Beef Day** and recognizes the many men and women who have made the beef industry one of the most important agricultural industries in Northeast Texas.
