

1585 Jameson Road
Van Alstyne, TX 75495

June 3, 2024

County: Hopkins County

Kinetic Solutions LLC Consultant: Mary Pimentel
Project Number: 5374469

Greetings:

Kinetic Solutions LLC is requesting utility records (ROW, Easements, and As-builts for water, gas, power, storm drain) to include with the Plans and Profiles for site located at 1134 COUNTY ROAD 3513, Dike, TX 75437. Proposed work is to bury telecommunications lines.

Site location map/construction sketches are attached. The construction sketch details the proposed work.

- Overhead - All road crossings will have a minimum vertical clearance of 22 feet.
- Underground – Proposed Spectrum UG run 48ct fiber in 4” PVC. Maintaining a minimum of 48” cover, minimum of 2’ vertical and 2’ horizontal separation.

If you have any questions, please contact me.

Sincerely,
Mary Pimentel, Consultant
